

## **32 Day Journey to the Cape – Johannesburg to Cape Town**

### **Day 1: Johannesburg to Hazyview (L / D)**

Leaving Johannesburg we head towards the Lowveld and the famous Kruger National Park. On our way we pass through the southern section of the picturesque Panorama Route - famous for its breathtaking vistas. Our camp for the next two nights is just 8 km from the Kruger's Numbi Gate. We spend a relaxing evening around the camp fire before our game drive tomorrow.

### **Day 2: Hazyview (B / L / D)**

Today we explore the amazing Kruger National Park. Covering 21 497 km<sup>2</sup> - 60 km wide and over 350 km long, this conservation area has more than 146 mammals, 500 bird, 114 reptile, 33 amphibian & 49 fish species. 23 000 different types of plants have been recorded. We spend the day driving around the park looking for a few of these. There is the option of doing a night drive looking for a few of the nocturnal inhabitants.

### **Day 3: Hazyview to Graskop (B / L / D)**

After a quick replenishing of our stocks we leave the Lowveld and head up to the beautiful small town of Graskop. It is from this gateway in Mpumalanga that we explore some of the best scenery in South Africa, including the ever striking Blyde River Canyon and God's Window. The many viewpoints of the Canyon, afford us excellent photo opportunities. We set up our tents on the lush green grass of our camp before enjoying a dip in the lovely swimming pool. Graskop's night life is something to be enjoyed and those that want will have the opportunity to experience it.

### **Day 4: Graskop to Musina (B / L / D)**

Today we begin our journey to Zimbabwe. We have a long, relaxing drive where we get to sit back and enjoy the ever changing scenery. Tonight we'll camp in one of the hottest towns in South Africa, Musina. Born in the copper mining era, it withered into a ghost town after the closing of these mines. However, the resurgence of the mining industry has seen it flourish once more and today it is an interesting town steeped in history.

### **Day 5: Musina to Masvingo (Zimbabwe) (B / L / D)**

Today we enter Zimbabwe - a beautiful country rich in soul, culture and tradition. We make our way to the town of Masvingo - on the outskirts of the Great Zimbabwe Ruins. This was the greatest medieval city in sub-Saharan Africa, built by an ancient highly skilled civilization. The name Zimbabwe is derived from this ancient city and means 'great stone houses' in Shona. Wander around these amazing ruins, before setting up camp.

### **Day 6: Masvingo to Gweru (B / L / D)**

Leaving Masvingo, we continue our journey north to Gweru, in Zimbabwe's Midlands. Here we stop over at The Antelope Park. It is said 'you have not been to Zimbabwe until you have visited the Victoria Falls ... and the Antelope Park'. A wide variety of game viewing opportunities are available in this area inhabited by lion, elephant, giraffe and obviously numerous antelope! We have the unique option to walk with lions, ride or swim with elephants, view game from horse back or from the back of a vehicle.

### **Day 7: Gweru (B / L / D)**

Today is spent enjoying personal encounters with Africa's wildlife.

### **Days 8: Gweru to Bulawayo (B / L / D)**

Leaving Gweru, we head to Bulawayo - Zimbabwe's second largest city. Bulawayo is noted for its exceptionally wide streets, which were originally designed to accommodate a full span ox wagon. The city also still retains much of its British Colonial character, evident by the many buildings maintained as heritage sites by the Bulawayo City Council. Interesting places to visit are the Natural History Museum, the National Arts Gallery and the Mzilikazi Arts and Crafts Centre, which employs over 70 people.

### **Day 9: Bulawayo (B / L / D)**

Today we visit Matobo National Park, one of the last strongholds of both the black and the white rhino. This park is also well known for its high concentration of the elusive leopard and majestic black eagle. Rock paintings are to be found too, providing evidence of the ancient San inhabitants of this area. Cecil John Rhodes (after whom Rhodesia was named) asked to be buried at the top of one of the sacred hills, (although there is some controversy over whether he will stay!) We spend the day exploring this unique geological, ecological and historic area.

### **Day 10: Bulawayo to Victoria Falls (Zimbabwe) (B / L)**

Leaving Bulawayo, we head to Victoria Falls. Here in Africa's adventure capital, we set up camp in the town's centrally located campsite. Victoria Falls or Mosi-oa-Tunya (the Smoke that Thunders) is one of the Seven Natural Wonders of the World and it's not difficult to see why. At 1700 m wide and around 100 m high, this is the world's largest sheet of falling water and a memorable sight on any African Safari! The Falls can be viewed from the Victoria Falls National Park, Zimbabwe and the Mosi-oa-Tunya National Park, Zambia. Each offer fantastic photo opportunities. The afternoon is spent relaxing at the campsite's swimming pool or exploring the many sights and delights of this town!

### **Days 11 & 12: Victoria Falls (B on both days)**

The next 2 days are spent relaxing or participating in a myriad of Optional Excursions. Some of our fellow passengers will leave us in Vic Falls, to be replaced by new passengers joining us for the next leg of our trek.

Optional excursions include trips into the Zambezi or Hwange National Parks, elephant back safaris, horse back safaris, a visit to the crocodile ranch, boat cruises and golf at The Elephant Hills Resort. Adrenalin junkies can bungee from the Victoria Falls Bridge connecting Zimbabwe and Zambia or abseil down the Batoka Gorge - neither activity is for the faint hearted! All year round, flights in fixed wing, micro light and ultra light aircraft or helicopters provide an aerial perspective over this magnificent World Heritage Site. White water rafting on the Zambezi is world class. Beside the excitement of the Grade 5 rapids, there are the 'floats,' where there is time to admire the scenic cliffs and the occasional wildlife on the riverbanks.

### **Day 13: Victoria Falls to Chobe National Park (Botswana) (B / L / D)**

After breakfast we cross the border into Botswana and head to Kasane where we set up camp on the banks of the Chobe River. The Chobe River forms a border between Botswana and Namibia and Zambia. Elephant, hippo and many bird species can be viewed from the boat while we watch another glorious African sunset.

### **Day 15: Chobe National Park to Maun (B / L / D)**

Today we travel in a south-westerly direction to the southern reaches of the Okavango Delta and our destination, Maun. It is from here that we set off to explore the Okavango Delta.

### **Day 16: Maun to Okavango Delta (OPTIONAL) (B / L / D)**

The Delta is a huge expanse of water, which has travelled from the Angolan highlands, spreading out to form the largest inland delta in the world. Studded with exotic islands, The Delta is renowned for its incredible variety of bird life and animals and is unique to Southern Africa.

Here we have the opportunity to take the optional 3 Day / 2 Night Drive In/Mokoro Excursion into the Delta. From Maun we drive north for a couple of hours to reach the mokoro peler's station. Mokoros are traditional dug out canoes manoeuvred through the waterways by local guides who 'pole' them through the reeds. After our guides find us a place to camp, we set off on an afternoon game walk, allowing us to experience The Delta wilderness.

For those who'd prefer not to explore The Delta, you can stay at the lovely campsite relaxing by the swimming pool or challenging each other to a game of volleyball. There is also a crocodile farm nearby that has it's feeding times open to campsite visitors.

### **Day 17: Okavango Delta (B / L / D)**

A day of rest, relaxation and Delta experiences await. Today we have the opportunity to partake in a number of activities including swimming (dependant on area & water levels), game walks, mokoro cruises and even a chance to try our hands at poling our own mokoro!

### **Day 18: Okavango Delta to Maun (B / L / D)**

This morning affords us a final opportunity for a game walk before packing up and setting off back to Maun. We arrive back in the early afternoon and have the chance to complete our picture of the Okavango Delta by taking an optional sunset scenic flight over The Delta.

### **Day 27: Swakopmund to Sesriem (B / L / D)**

Leaving Swakopmund, we head south to meet the Atlantic Ocean at Walvis Bay. Continuing our journey, we enter the Namib-Naukluft Park in one of the oldest deserts in the world. We base ourselves at Sesriem, a great place to experience the Namib and its many moods. A short distance away is Sossusvlei, surrounded by a dramatic sea of sand dunes reputed to be the highest in the world. Magnificent views of the desert can be seen from the top of the dunes, some over 300 m high. We spend the afternoon exploring this amazing area. An optional (and must do) excursion is to walk around the area, learning about the amazing history, geology, flora and fauna from the specialised local guides of Sossus on Foot. ### **Day 28: Sesriem to Fish River Canyon (B / L / D)**

After watching the sunrise across this beautiful area we leave the serenity of the dunes and head south to the Fish River Canyon. At 161 km long, 27 km wide and about 550 m deep, it's the second largest canyon in the world. The outer canyon was formed by tectonic activity, while the erosion of the Fish River formed the inner canyon. A road follows the eastern rim, giving us access to several viewing points from where we can take in the spectacular vistas.

### **Day 29: Fish River Canyon to Orange River (South Africa) (B / L / D)**

This morning we continue south, where, after a short drive, we reach the Orange River - the natural land border between Namibia and South Africa. We camp at a beautiful campsite on the South African bank of the river. This afternoon we have the option of a half-day canoe trip on the beautiful Orange River, affording us the opportunity of some bird watching or just a scenic and relaxing paddle.

### **Day 30: Orange River to Cederberg (B / L / D)**

An early morning start see us travel south through the Richtersveld before reaching the region known as Namaqualand, well known for its prolific display of Namaqua wildflowers that occur each spring.
