

## 8 Day Chobe & Okavango Delta Safari

### Day 1: Victoria Falls

Today is spent relaxing or participating in a myriad of Optional Excursions. At 1700 metres wide and around 100 metres high, Victoria Falls are one of the most memorable sights on this African safari. All year round, flights can be taken in fixed wing planes, micro lights or helicopters. Back on the ground, the falls can be seen from the Victoria Falls National Park with its many viewing points or from the Zambian side. All offer fantastic photographic opportunities.

White water rafting in the Batoka Gorge is considered to be world class. Besides the excitement of the grade 5 rapids, there are the 'floats', where there is time to admire the scenic cliffs and occasional wildlife on the riverbanks.

Optional excursions include trips into the Zambezi or Hwange National Parks, elephant back safaris, horse back safaris, a visit to the crocodile ranch, boat cruises and golf at The Elephant Hills Resort. Adrenalin junkies can bungee from the Victoria Falls Bridge connecting Zimbabwe and Zambia or abseil down the Batoka Gorge - neither activity is for the faint hearted! All year round, flights in fixed wing, micro light and ultra light aircraft or helicopters provide an aerial perspective over this magnificent World Heritage Site. White water rafting on the Zambezi is world class. Beside the excitement of the Grade 5 rapids, there are the 'floats,' where there is time to admire the scenic cliffs and the occasional wildlife on the riverbanks.

### Day 2: Victoria Falls to Chobe National Park (Botswana) (B / L / D)

After breakfast we cross the border into Botswana and head to Kasane where we set up camp on the banks of the Chobe River. Listen out for the resident hippos! The Chobe River forms a border between Botswana and Namibia and Zambia. This National Park is one of Botswana's premier game parks, renowned for its large elephant herds.

For the adventurous spirits, there is the option for the Chobe National Park Sleep-out - an overnight experience in the Chobe National park. Spend the afternoon in search of wildlife en-route to the set camp within the park where we spend the evening surrounded by the night-time noises of the local wildlife. In the morning we continue our exploration and after stopping off at the camp for lunch, we meet the rest of the group for the sunset boat cruise.

### **Day 3: Chobe National Park (B / L / D)**

For those not on the Sleep-out, today offers the option of an early morning game drive in the Chobe National Park. An early start sees us spend the morning observing the large herds of wildlife. After our game drive we return to camp for lunch. The late afternoon sees us take a boat cruise along the Chobe River. Elephant, hippo and many bird species can be viewed from the boat while we watch another glorious African sunset.

### **Day 4: Chobe National Park to Maun (B / L / D)**

Today we travel in a south-westerly direction to the southern reaches of the Okavango Delta and our destination, Maun. It is from here that we set off to explore the Okavango Delta.

### **Day 5: Maun to Okavango Delta (Included) (B / L / D)**

The Delta is a huge expanse of water, which has travelled from the Angolan highlands, spreading out to form the largest inland delta in the world. Studded with exotic islands, The Delta is renowned for its incredible variety of bird life and animals and is unique to Southern Africa.

Here we take a 3 Day / 2 Night Drive In/Mokoro Excursion into the Delta. From Maun we drive north for a couple of hours to reach the mokoro peler's station. Mokoros are traditional dug out canoes manoeuvred through the waterways by local guides who 'pole' them through the reeds. After our guides find us a place to camp, we set off on an afternoon game walk, allowing us to experience The Delta wilderness.

### **Day 6: Okavango Delta (B / L / D)**

A day of rest, relaxation and Delta experiences await. Today we have the opportunity to partake in a number of activities including swimming (dependant on area & water levels), game walks, mokoro cruises and even a chance to try our hands at poling our own mokoro!

### **Day 7: Okavango Delta to Maun (B / L / D)**

This morning affords us a final opportunity for a game walk before packing up and setting off back to Maun. We arrive back in the early afternoon and have the chance to complete our picture of the Okavango Delta by taking an optional sunset scenic flight over The Delta.

### **Day 8: Maun (trip ends) (B)**

After breakfast, we exchange addresses and part ways, having just experienced a trip of a lifetime!
