

## 9 Day Chobe Mobile Safari & Northern Delta – Livingstone to Livingstone

### Day 1: Livingstone (D)

Victoria Falls or Mosi-oa-Tunya (the Smoke that Thunders) is one of the Seven Natural Wonders of the World and it's not difficult to see why. At 1700 m wide and around 100 m high, this is the world's largest sheet of falling water and a memorable sight on any African Safari! The Falls can be viewed from the Mosi-oa-Tunya National Park, Zambia and the Victoria Falls National Park, Zimbabwe. Each offer fantastic photo opportunities. The day is spent participating in a myriad of Optional Excursions. Tonight we enjoy a sunset dinner cruise on the mighty Zambezi.

**Accommodation:** Chalet

### Day 2: Livingstone (B)

Today we have another opportunity to participate in some of the activities we couldn't fit in yesterday.

Optional excursions include elephant back safaris, horse back safaris and a rhino walk. Adrenalin junkies can bungee from the Victoria Falls Bridge connecting Zimbabwe and Zambia or abseil down the Batoka Gorge - neither activity is for the faint hearted! All year round, flights in fixed wing, micro light and ultra light aircraft or helicopters provide an aerial perspective over this magnificent World Heritage Site. White water rafting on the Zambezi is world class. Beside the excitement of the Grade 5 rapids, there are the 'floats,' where there is time to admire the scenic cliffs and the occasional wildlife on the riverbanks.

### Day 3: Chobe National Park (B / L / D)

After breakfast we cross the border into Botswana and head to Kasane where we transfer to the Chobe Mobile team for our overnight excursion in the Chobe National Park. The Chobe River forms a border between Botswana and Namibia and Zambia and is the life-line to wildlife within the park. The late afternoon sees us take a boat cruise along the Chobe River. Elephant, hippo and many bird species including the regal African Fish Eagle and Pied Kingfisher can be viewed from the boat while we watch another glorious African sunset. Our mobile camp tonight affords the rare opportunity to spend the night within the wilderness - enjoy the night sounds of the true African wilds.

**Accommodation:** Tented Camp

### Day 4: Chobe National Park (B)

This morning starts with an early morning game drive in the Chobe National Park. Chobe is one of Botswana's premier game parks, renowned its large elephant herds. After our game drive we return to camp for lunch, before we head back to the riverside town of Kasane.

### **Day 5: Chobe National Park to Divundu (B)**

Today we travel into Namibia's Caprivi Strip to our lovely camp on Kavango River at the start of the Okavango Delta.

The Okavango Delta is a huge expanse of water that has travelled from the Kavango River from the Angolan highlands, and fans out onto the upper Kalahari region to form the largest inland Delta in the World. Studded with exotic islands, the Delta is renowned for its incredible variety of bird life as well as many other animals unique to Southern Africa.
