KENYA

Upon entering this beautiful east African country, you may be greeted with the words of “jambo” (hello) or “hakuna matata” (no problem) by the friendly locals. With a population of nearly 42 million and land area of more than 580 000 sq km Kenya is home to an abundance of animals and colourful tribes people, making it the perfect getaway for a once in a lifetime safari.

DAY 1: Nairobi to Masai Mara (Lunch / Dinner)

We enter Masai land where these habitual pastoralists are often seen tending their cattle from the side of the road. We pass through the town of Narok, and continue our drive possibly getting a glimpse of some wildlife along the way. The main section of road between Nairobi and the Reserve is in a very poor state, so be prepared for a rough ride! We arrive at our campsite, Acacia Camp in the evening.

Acacia Camp looks on to the Meguarra hills and the stream that meanders by on the bottom end forms a natural border to the Masai Mara National Reserve. The Reserve remains unfenced, allowing wildlife to roam freely across into the surrounding area and if they choose – through our own camp! No need to be afraid, as the local ‘Askari’ will keep a look out for any unwanted predators.

Included Activity: Masai Mara Nature Reserve excursion.

DAY 2: Masai Mara (Breakfast / Lunch / Dinner)

We depart shortly after sunrise on our game drive into the Masai Mara Reserve. The Masai Mara is well known as one of East Africa’s best National Reserves and is home to a wide variety of wildlife species. Most famous for the Annual Migration, that consists of the impressive herds of over 1 million wildebeest, zebra and Thomson’s gazelle that cross over from the Serengeti National Park in Tanzania; the Masai Mara is most popular between July and October when these vast herds feast on the fresh grazing here. Following these herbivores are Africa’s predators that are often seen at a kill during this period. We game drive through a section of the park in search of the ‘Big 5’- elephant, rhino, buffalo, lion & leopard; along with the many other species of animals, reptiles and birds who make call this wilderness home.

After our game drive, we have the option to visit one of the nearby Masai Manyatta's – this is a traditional hamlet where the Masai still live in their traditional way. This evening we sit around the camp fire, and watch the sun set over this “Garden of Eden”.

DAY 3: Masai Mara to Lake Nakuru National Park (Lunch / Dinner)

Leaving Masai Mara we head towards our first overnight stop in the area of Lake Nakuru National Park, where our overnight campsite will be at EAMO; East African Mission Organisation. We will have the chance to interact with the local kids as well as a chance to learn more about this wonderful organisation.

EAMO: East Africa Mission Organisation

DAY 4: Lake Nakuru National Park (Breakfast / Lunch / Dinner)

This morning we begin our exploration of the Lake Nakuru National Park - famous for the thousands of lesser and greater flamingos that flock to this soda lake's edge. The numbers vary depending on the water level, and when it's low, the lake almost turns pink. A truly spectacular sight! The park was established as a sanctuary for black and white rhino, which are often seen. We spend the day searching for these pre-historic looking beasts as well as the elusive leopard, encountering buffalo, giraffe, various antelope and the occasional hippo along the way. After our game drive, we head to our campsite, arriving in the late afternoon.

Included Activity: Game drives through Lake Nakuru National Park with our own vehicle.

Optional Activity: Spending time with the kids at the orphanage / Bringing pens, pencils, notepads and so forth. Please speak to your crew for more information.

DAY 5: Kisii/Kericho Area (Breakfast / Lunch / Dinner)

After breakfast we leave the Masai Mara and head to Kisii/Kericho passing through the picturesque tea plantations along the way. These towns are the main commercial centres in the Gusii Highlands, where cash crops like tea and coffee thrive because of its equatorial climate. We replenish our stocks before heading for Tanzania tomorrow.

TANZANIA

Tanzania's natural environment and geographical features have made it one of the best tourist destinations in Africa. Being the biggest country in east Africa, Tanzania has heaps to offer her visitors, including 13 game reserves and national parks. Tanzania also forms part of the world's largest animal's movements, the great migration. Inland are the vast Serengeti National Park and the animal-packed Ngorongoro Conservation area, and thousands of people every year fulfil their lifetime achievement of climbing to the top of Mount Kilimanjaro, which is the highest mountain in Africa. On the coast, Zanzibar is exotic, intriguing and steeped in the unique Swahili culture.

DAY 6: Musoma (Breakfast / Lunch / Dinner)

We depart Kenya and head south into Tanzania. After border formalities, our drive takes us through the scenic granite landscapes adjacent to Africa's largest lake – Lake Victoria. We spend the night at a campsite on the banks of Lake Victoria in the fishing town of Musoma.

DAY 7: Serengeti National Park (Breakfast / Lunch / Dinner)

After stocking up on supplies for the next couple of days, we head to the Serengeti National Park, entering the park after lunch. The Serengeti (Masai for “endless plains”) is famous for its enormous concentration of game (especially the big cats) and for the annual migration of millions of wildebeest, zebra and Thomson's gazelles. The abundance of plains game in this area is truly astounding. We enter the park through the lesser travelled western corridor and game drive en-route to our campsite in the centre of the park. Tonight we bush camp (no ablutions) in the wild surrounded by the sounds of the African bushveld, pierced only by the calls of the nocturnal wildlife. In the morning, we head off for another game drive and explore the landscape in search of the resident wildlife. With some luck, we may see some of Africa's 'Big 5'!

Included Activity: Serengeti National Park**DAY 8: Ngorongoro Crater** (Breakfast / Lunch / Dinner)

After an early start we pack up our camp and continue our game drive through the Serengeti National Park. We head to the southern part of the park where they have the chance to see the endless plains this park is renowned for. We cross from the Serengeti to the Ngorongoro Conservation area at lunch time and begin our climb up the steep Crater edge. Tonight's camp (basic ablutions) on the crater rim sharply contrasts the warmer plains below - we suggest you bring your winter woollies as it can get very cold at night.

Included Activity: Ngorongoro Crater excursion**DAY 9: Ngorongoro Crater to Arusha** (Breakfast / Lunch / Dinner)

The Ngorongoro Crater with its 600 m high walls and 20 km width is a natural marvel. The Crater's rim offers spectacular views, but the true scale of this caldera is only appreciated from the floor itself where the abundance of its animal inhabitants becomes apparent. It is home to nearly every species of African animal and offers a chance to view an incredible concentration of East African mammals, such as elephant, rhino, buffalo, hippo, lion and plain's game. After spending the morning game driving in The Crater we continue to our campsite outside Arusha where we spend the evening musing over our thrilling wildlife experience.

DAY 10: Arusha to Pangani* (Breakfast / Lunch / Dinner)

We head to Arusha this morning to stock up on supplies before continuing on towards Dar es Salaam. On the way we drive through the town of Moshi situated at the magnificent Mount Kilimanjaro – Africa's highest mountain. Moshi is the base for Mount Kilimanjaro climbing expeditions, and weather permitting; we may even catch a glimpse of this magical mountain's snowy summit - a photo opportunity not to be missed! We pass through vast sisal plantations surrounded by The Usambara and Pare Mountain ranges, before reaching our lovely campsite nestled between these mountains, midway between Arusha and Dar es Salaam.

***Some trips may choose to forego this night at their own cost.**

DAY 11: Pangani to Dar es Salaam (Breakfast / Lunch / Dinner)

Today we continue on to Dar es Salaam. Travelling through lush scenery and palm trees, we near the warm Indian Ocean. Today's drive time is extended due to the heavier amount of traffic heading in to the city, but the sights and sounds of Dar's vibrant outer suburbs are sure to keep you entertained. Look out for the colourful shop-fronts with their sometimes humorous 'catch phrases'. On arrival in Dar es Salaam we make our way to our lovely seaside campsite and prepare for our departure to Zanzibar the next morning.

DAY 12: Dar es Salaam to Zanzibar (OPTIONAL) (Breakfast)

A ferry from Dar es Salaam takes us to the "Spice Island," where we have the option to spend the next 3 nights. Zanzibar is steeped in history and was one of the major starting points for most East African explorers in their quest for new lands. New passengers may join us to replace those that'll leave us at the end of our excursion to Zanzibar.

Included Activity: Zanzibar Ferry

Optional Activity: Zanzibar excursion

PLEASE NOTE: Accommodation and Meals are for your own account whilst on Zanzibar, as it is our experience that passengers prefer to explore the island on their own, and in accordance with their own budget. The Trip Leader joins you and can arrange your accommodation, while meals can be enjoyed from a wide selection of restaurants. There are also a wide variety of optional excursions on offer – please see the price guide on the end of this document for more details.

For those not opting to visit the island of Zanzibar, the next 3 days are spent at leisure at the beach campsite in Dar es Salaam. There are various optional excursions available from the camp including diving, snorkelling and fishing trips. The driver and cook remain behind in Dar es Salaam during the excursion.

PLEASE NOTE: New legislation prohibits the taking of photographs during the Zanzibar ferry ride. Spot fines can be issued, if legislation is not obeyed.

DAYS 13 & 14: Zanzibar

History aside, Zanzibar offers a wealth of experiences for the visitor. Today the quiet streets of the old Stone Town still retain their Arabic influence, from the Medina-like shops to the palaces of the Sultans, who founded their vast empires on the spoils of the slave and ivory trade. The island is famous for its spices and an excursion around a spice plantation is always a fascinating experience. Other options include a trip to the beautiful beaches and giant tortoises of Prison Island, a full day scuba dive in Nungwe or a fishing trip in a traditional dhow. Mopeds are available for hire if you'd like to explore the more remote areas of the island. Zanzibar is a seafood lover's paradise. Numerous restaurants offer a great variety of the freshest catch from the ocean - crayfish being a popular speciality. Alternatively, mingle with the locals for dinner at the Forodhani Gardens seafront market, where delicious, inexpensive seafood is on offer.

For those not opting to visit the island of Zanzibar, the next 3 days are spent at leisure at the beach campsite in Dar es Salaam. There are various optional excursions available from the camp including diving, snorkelling and fishing trips. The driver and cook remain behind in Dar es Salaam during the excursion.

DAY 15: Zanzibar to Dar es Salaam (Dinner)

Leaving Zanzibar in the afternoon, we return to the mainland and another night in Dar es Salaam. Arrival back to camp is usually in the late afternoon, or early evening.

DAY 16: Dar es Salaam to Iringa (Breakfast / Lunch / Dinner)

This morning we leave Dar es Salaam and head south. We pass through the Mikumi National Park where it is possible to view a range of wildlife from the roadside, totally impervious to the passing traffic. We travel towards Iringa where we spend the night in a beautiful rustic campsite famous for its Amarula Hot Chocolates and its steamy showers!

MALAWI

A variety of attractions can be found in this exquisite country such as, forest, mountains and many a rural village, but there is one major attraction – Lake Malawi. There are many small rustic resorts along this fresh water lake where you can kick back on the sand, and enjoy the perfect sunset over this lake. Malawi will offer you the perfect sub tropical climate, allowing you ample time to soak up the sun and work on that tan. Lilongwe is the largest city in Malawi, as well as the capital city. Malawi plays host to just over 12 million people, with English and Chichewa being the main languages.

Lake Malawi

Most your time in Malawi will be spent enjoying the white beaches and warm waters of Lake Malawi. Lake Malawi is also known as “the lake of stars”, offering an abundance of water activities. With the

staggering amount of 500 species of fish, this lake makes for an excellent spot for fresh water diving after meeting and greeting all the welcoming locals.

DAYS 17 - 19: Iringa to Lake Malawi (Malawi) (Breakfast / Lunch / Dinner)

Winding our way through the beauty of the Tukuyu tea and banana plantations, we head towards Malawi entering the 'Warm Heart of Africa' through the border post at Songwe.

Malawi is a landlocked country with 20% of its total area made up of beautiful Lake Malawi. We travel the length of the western side of the lake, stopping off at various bays and inlets over the next 3 days.

Spend the days learning the game of bao from the locals, scour the markets for a bargain or simply relax on the pristine beaches. Malawi's temperate climate allows for swimming in the clear blue fresh-water lake all year round. Explore the beautiful shore where you'll happen upon the local fishermen sorting their catch. Traditional fishing techniques are still practiced and to appreciate their boating skills, try to paddle a dugout canoe yourself! At night you'll see the 'fairy' lights of the fishermen out on the lake. The various beachside campsites along Lake Malawi's shores offer many optional Excursions including a variety of water sports, horseback rides and a visit to the local village and school (see pricing guide at the end of this document).

Optional activities vary; however we do recommend that you partake in the village tour. Please note that you can bring pens, pencils, notepads and dry starch food sorts for the tour. Please speak to your crew for more information.

DAY 20: Lake Malawi to Chipata (Zambia) (Breakfast / Lunch / Dinner)

Today we leave Malawi and cross over into Zambia.

DAY 21: Chipata to Luangwa National Park (Breakfast / Lunch / Dinner)

This breath taking park is situated on the Luangwa River in the Eastern part of Zambia, and it is the southernmost of three national parks in this region. South Luangwa was founded in 1938 as a game reserve, 1972 was the year it was declared as a national park, and today it covers over 9000 kilometres squared. Animals such as Giraffe, buffalo and Elephants can be found in abundance. The Luangwa river is home to many a hippo and croc.

Included Activity: Game drives through South Luangwa National Park in our own vehicle.

DAY 22: Luangwa National Park to Eastern Zambia (Breakfast / Lunch / Dinner)

Today we depart this amazing National Park and make our way down south. As we drive, we pass through a few of the villages and towns of Zambia along the way. Prosperous during the copper boom in the 60's, Zambia was able to build infrastructure at the main mining and farming communities. After the fall of the copper industry, the country was left virtually bankrupt and existing infrastructure was

left to fall to ruin. Due to foreign investment and a rise in the mining industry, Zambia is today once again starting to prosper.

DAY 23: Eastern Zambia to Livingstone (Breakfast / Lunch / Dinner)

Heading further south, we journey through the southern Zambian towns mostly supporting local agriculture and farming on our way to Livingstone. The Victoria Falls or Mosi-oa-Tunya (the Smoke that Thunders) is one of the Seven Natural Wonders of the World and it's not difficult to see why. At 1700 m wide and around 100 m high, this is the world's largest sheet of falling water and a memorable sight on any African Safari! The Falls can be viewed from the Mosi-oa-Tunya National Park, Zambia - a fantastic photo opportunity. Tonight we have the option of enjoying a sunset dinner cruise on the mighty Zambezi.

DAY 24: Livingstone to Chobe National Park (Botswana) (Breakfast / Lunch / Dinner)

We leave Zambia and cross the border into Botswana at the Kazangula Ferry. Once we've completed the border formalities, we continue to the town of Kasane, situated on the banks of the Chobe River. The Chobe River forms a border between Botswana and Namibia and Zambia and is the main water source to the Chobe National Park. After lunch, we have time at leisure to relax. In the afternoon, we leave for our Chobe National Park Overnight Mobile excursion – an overnight experience in the wilds of the Chobe National park. Chobe is one of Botswana's premier game parks, renowned for its large elephant herds. Spend the afternoon in search of wildlife while we game drive to our camp within the park where we spend the evening surrounded by the night-time noises of the local wildlife. Look out for the rare Sable and Roan Antelope on your game drive, with their majestic backward slanting horns, or try keep a count of the Lilac Breasted Roller's that swoop by! After our night in the bush, we head out early to continue our search for wildlife, before packing up the camp and heading back to Kasane.

Included Activity: Chobe National Park Overnight Mobile excursion

ZIMBABWE

This landlocked country is situated in the southern part of Africa, between the mighty Zambezi and Limpopo Rivers. The word Zimbabwe is believed to have two meanings, 1) it is believed the word Zimbabwe is derived from dzimba-dza-mabwe, which means "large house of stone" in the Shona (Karanga Dialect) language. 2) It is also believed to be derived from the word dzimba-hwe which means venerated houses in the Zezuru dialect of Shona.

DAY 25: Chobe National Park to Victoria Falls (Zimbabwe) (Brunch)

Once returning to camp, we get back on our truck and continue to the border of Zimbabwe. Once we've completed border formalities, we have a short drive to the nearby Victoria Falls. Named after the famous World Heritage site and Water Falls, the town of Victoria Falls is situated on the Zambezi River and surrounded by the Victoria Falls National Park. Our campsite is conveniently situated in the

centre of town, and within walking distance of the adventure booking agents, restaurants and shops. A 20 minute walk down the main road takes you to the entry point to view the falls, which are situated between Zimbabwe and Zambia. Victoria Falls, or Mosi-oa-Tunya (the Smoke that Thunders), was named by David Livingstone on his explorations, and is one of the Seven Natural Wonders of the World. At 1700 m wide and around 100 m high, this is the world's largest sheet of falling water and a memorable sight on any African Safari! After our adventure activities briefing (see price guide at the end of this document for options), the afternoon is spent relaxing at the campsite's swimming pool, viewing the Victoria Falls, or exploring the many sights and delights of this town!

Included: Entrance to Victoria Falls

DAYS 26 & 27: Victoria Falls (Breakfast)

Today is spent relaxing or participating in a myriad of Optional Excursions. Adrenalin junkies can bungee from the Victoria Falls Bridge connecting Zimbabwe and Zambia or abseil down the Batoka Gorge - neither activity is for the faint hearted! All year round, flights in fixed wing, micro light and ultra light aircraft or helicopters provide an aerial perspective over this magnificent World Heritage Site. White water rafting on the Zambezi is world class. Beside the excitement of the Grade 5 rapids, there are the "floats," where there is time to admire the scenic cliffs and the occasional wildlife on the riverbanks.

BOTSWANA

The size of this successful country can be compared to countries such as Kenya or France, and fairly smaller than Texas. Botswana is a landlocked country with borders such as South Africa, Namibia, Zambia and Zimbabwe which can all be crossed overland. For such a small country it boasts an array of spectacular game viewing opportunities such as, hundreds of elephants splashing in the Chobe River and the Okavango Delta and its maze of lagoons.

DAY 28: Victoria Falls to Chobe National Park (Botswana) (Breakfast / Lunch / Dinner)

After breakfast we cross the border into Botswana and head to Kasane where we set up camp on the banks of the Chobe River. The Chobe River forms a border between Botswana and Namibia and Zambia. Chobe is one of Botswana's premier game parks, renowned its large elephant herds. Elephant, hippo and many bird species can be viewed from the campsite while we watch another glorious African sunset.

Included Activity: Boat cruise on the Chobe River

DAY 29: Chobe National Park to Maun (Breakfast / Lunch / Dinner)

Heading out early, we cross the western end of the Chobe National Park area along the main route in a south-westerly direction to the southern reaches of the Okavango Delta and our destination, Maun. On our route, we have routine stops to at Botswana's 'meat' borders – check points that were set up to protect its thriving beef export industry from the spread of disease. Maun is the starting point for travel into the Delta and it is from here that we set off to explore the Okavango Delta. Tonight we prepare our provisions and packs for our 2 night excursion. We suggest bringing along a smaller daypack on your trip which can be used to pack the supplies needed for this short excursion. Your trip leader will brief you fully on what is needed, and what to expect prior to your trip into the Delta.

DAY 30: Maun to Okavango Delta (OPTIONAL) (Breakfast / Lunch / Dinner)

The Delta is a huge expanse of water, which has travelled from the Angolan highlands, spreading out to form the largest inland delta in the world. Studded with exotic islands, The Delta is renowned for its incredible variety of bird life and animals and is unique to Southern Africa.

Here we have the opportunity to take the optional 3 Day / 2 Night Drive in Mokoro Excursion into the Delta. After an early rise, we pack our expedition vehicle and from Maun we drive north for a couple of hours to reach the mokoro poler's station. The Delta region is studded with many local villages where many families live in a traditional way. Some of the villages are very remote and can only be reached by the traditional mode of transport – the Mokoro. Mokoros are dugout canoes manoeuvred through the waterways by local guides who "pole" them through the reeds. At the Mokoro station, we meet our 'polers' and pack our supplies before heading out into the waterways. After a couple of hours along the waterways, our guides find us a place to camp, and later in the afternoon we set off on an afternoon game walk, allowing us to experience The Delta wilderness. The camp is situated in an open wilderness area with no ablution facilities.

For those who'd prefer not to explore The Delta, spend the next 2 days at the lovely campsite relaxing by the swimming pool or challenging each other to a game of volleyball. There is also a crocodile farm nearby that has it's feeding times open to campsite visitors. The driver and cook remain behind in Maun during the excursion.

Optional Activity: 3 Day / 2 Night Drive in Mokoro Excursion

DAY 31: Okavango Delta (Breakfast / Lunch / Dinner)

A day of rest, relaxation and Delta experiences await. Today we have the opportunity to partake in a number of activities including swimming, game walks, mokoro cruises and even a chance to try our hands at poling our own mokoro! There is also ample time to relax and rest during the hotter hours of the day, so challenge your new friends to a game of cards, or chat with your guides about their culture and lifestyle, or simply lie back and enjoy the sounds of the surrounding wilderness...

DAY 32: Okavango Delta to Maun (Breakfast / Lunch / Dinner)

This morning affords us a final opportunity for a game walk before packing up and setting off back to Maun. After our Mokoro ride and vehicle transfer, we arrive back in the afternoon and have the chance to complete our picture of the Okavango Delta by taking an optional scenic flight over The Delta (dependent on weather conditions & availability).

DAY 33: Maun to Palapye (Breakfast / Lunch / Dinner)

Heading out early, we have a fairly long (450kms) drive today to the small town of Palapye, situated about halfway between Francistown and Gaborone (Botswana's Capitol). This popular 'stopover' town for those en route to South Africa, is well known for the Morupule Colliery coal mines which supplies Morupule Power Station, Botswana's principal domestic source of electricity.

SOUTH AFRICA

With nine different provinces, 11 official languages and 3 capital cities, South Africa will most definitely make you stop in your tracks and go – WOW.

DAY 34: Palapye to Blydepoort (South Africa) (Breakfast / Lunch / Dinner)

This morning we cross into South Africa, and continue across to our camp overlooking the impressive Blyde River Canyon. Named for the Blyde River that runs through it, the canyon is 26km long, and averages 800m deep and forms the northern edge of the impressive Drakensberg Mountain Range. It is classified as a 'green canyon' due to the uncommon occurrence of vegetation that lines it (uncommon as most canyons are in desert areas and are fairly barren). The main viewpoints along the canyon are the 3 Rondavels, named for the shape of the traditional huts or houses the indigenous people of the area used to live in; and God's Window that affords a breathtaking view across the canyon and surrounding area.

DAY 35: Blydepoort to Nkambeni Camp (Breakfast / Lunch / Dinner)

Heading through the breathtaking Panorama Route, we stop off at various viewpoints today including scenic God's Window. We pass through the small town of Graskop, and head toward the Kruger National Park and our campsite in the park.

Included: Night Game Drive

DAY 36: Nkambeni Camp (Breakfast / Lunch / Dinner)

Today we visit the amazing Kruger National Park (19 485 km²) in search of some of the 146 mammals, 500 bird, 114 reptile, 33 amphibian & 49 fish species that make this park their home. We travel in our truck along the main game viewing routes within the park and stop off at some of the camps along the way. For those who wish to upgrade to an open vehicle game drive, this can be arranged with the trip leader at an additional cost.

Included Activity: Game drives through Kruger National Park in our own vehicle.

DAY 37: Nkambeni Camp to Johannesburg (Breakfast)

After breakfast, we begin our journey to our final destination; Egoli the place of gold (Johannesburg), Johannesburg is the capital of Gauteng, which is a province in South Africa. On arrival in Johannesburg we unload the truck for the final time, exchange addresses and part ways, having just experienced a trip of a lifetime!

We suggest you extend your stay by a few days to participate in some of the exciting activities available here (see below price guide for details). Post tour accommodation can be booked through our office.

Vehicles have sliding glass windows, and the seating area is raised providing a great advantage for game viewing and photography. Seats are cushioned and there is storage space for personal items like cameras, snacks and day packs in the seating area.
